

The Monthly Campus Chronicle

April 2026

As we step into the new academic year with renewed enthusiasm and hope, I extend my warm greetings and best wishes to all our students, teachers and members of the school fraternity. A new beginning always brings with it fresh opportunities to learn, grow and excel. Let us together make this year a meaningful and memorable journey filled with knowledge, discipline and success.

At the outset, I would like to place on record my heartfelt appreciation to our dedicated teachers whose relentless efforts and commitment have once again brought great laurels to our Institutions. The outstanding performance of our students in the Std. X and XII Board Examinations is indeed a proud moment for all of us. Their excellent results reflect not only academic brilliance but also perseverance and the strong support system provided by the school and parents.

Dear students, your achievements have upheld the rich legacy and reputation of our Institutions. You have proved that disciplined preparation and confidence can lead to remarkable success. My congratulations to every achiever and my encouragement to all students to continue striving towards greater heights with sincerity and dedication.

To our teachers, I express my deep gratitude for being the guiding force behind every student's accomplishment. Your passion for teaching, patience and tireless mentoring continue to inspire young minds and shape responsible citizens of tomorrow. The role you play extends far beyond classrooms and your contribution to nation-building is truly invaluable.

As we begin this academic year, let us reaffirm our commitment to excellence in every sphere — academics, values, discipline, leadership, sports, arts and service to society. Education is not merely about securing marks; it is about nurturing character, compassion, integrity and the courage to face the challenges of life with confidence.

I encourage every student to make the best use of the opportunities provided by the schools. Participate actively, dream big, stay focused and believe in your potential. Success comes to those who are willing to learn continuously and work consistently.

May this new academic year bring happiness, good health, positivity and abundant success to all! Let us move forward together with unity, determination and the spirit of excellence.

Wishing everyone a fruitful and inspiring academic year ahead.

A strong future is not built overnight – it is built through consistent effort, right values and a determined mind.

WORKSHOP

A one-day workshop was conducted by the SHARPEN Academy, an organ of the S.B.I.O.A. Educational Trust, Chennai, on 25th April, 2026, for the Office Staff. The session commenced with the inauguration by the Secretary & Correspondent Shri. A. Senthil Ramesh, who addressed the gathering and highlighted the importance of professional commitment, accountability and continuous learning in today's evolving educational and administrative environment.

The first session was handled by V. K. Dinesh Kirubhakaran, Auditor, who shared valuable insights on auditing practices, financial discipline and systematic documentation. This was followed by an informative session by Shehnaz M. H., who elaborated on taxation procedures, administrative responsibilities and the importance of accuracy in official records and compliance.

After a short break, Gayatri Manoj & her team members conducted an engaging session focusing on audit-related procedures and professional efficiency, offering useful guidance for effective administration and financial management.

Following lunch, the afternoon session was led by G. Suresh Babu, Income Tax Officer, who provided an enlightening overview of income tax regulations, filing procedures and the significance of financial awareness and compliance.

The programme also included a Software Training session, which enabled the participants to gain hands-on exposure to relevant digital tools and applications, enhancing their operational efficiency and technical knowledge.

The programme concluded with an interactive Feedback Session, where participants shared their reflections and expressed appreciation for the informative and enriching sessions conducted throughout the day.

SUMMER CAMP

Calligraphy

The students enthusiastically participated in the 10-day Calligraphy Course conducted during the Summer Camp at school. The course provided them with a wonderful opportunity to explore the art of creative writing and improve their artistic skills. Under expert guidance, the students learnt various styles and techniques of calligraphy using brush pens and spray bottles. They practised lettering patterns, strokes, font designs, and decorative writing methods with great interest and dedication. The sessions not only enhanced their handwriting and creativity but also improved their concentration, patience, and fine motor skills. The students thoroughly enjoyed the hands-on learning experience and showcased remarkable creativity through their beautiful and innovative calligraphy work.

The calligraphy summer camp conducted at our school was a refreshing and creative learning experience. The sessions were well-organized, engaging, and suitable for students of different skill levels. The instructor explained clearly the basics of lettering, strokes, spacing and handling the pen, making it easy for everyone to follow along.

The guidance and encouragement provided by the teacher played a major role in making the camp successful. The teacher was patient, supportive and attentive to every student, giving individual tips and corrections that helped improve our writing style and confidence. Their creative teaching methods and constant motivation made the classes enjoyable and inspiring.

The camp also helped improve concentration, patience and handwriting skills while encouraging creativity and self-expression. Overall, the calligraphy class was enjoyable, educational and inspiring. It was a wonderful initiative by the School to help students learn an artistic skill during the summer break.

By R. Jasvitha (7-H), SBOA School & J.C.

The Calligraphy classes conducted as part of the Summer Camp from 17th to 29th April, 2026, were organised successfully and received an enthusiastic response from students of Standards III to VIII. The programme witnessed the active participation of 173 students, reflecting the growing interest among students in creative and artistic learning experiences.

Five sessions were conducted each day in a well-structured manner. Classes for Standards III to V were held from 10.00 a.m. to 11.15 a.m., while sessions for Standards VI to VIII were conducted from 11.20 a.m. to 12.35 p.m. The camp was thoughtfully planned to provide students with systematic training in the art and discipline of calligraphy.

Throughout the programme, students were introduced to a variety of calligraphic styles and decorative lettering techniques through guided demonstrations and practical sessions. They were trained in the artistic arrangement of letters, colour blending, spacing, border design and overall visual presentation. The students also designed creative greeting cards using calligraphy techniques, which provided them with an opportunity to combine imagination with artistic craftsmanship. The vibrant and well-presented student work reflected both creativity and disciplined practice. The overall response from the students was positive. The sessions were marked by active participation and unceasing interest. The work produced by the students reflected careful effort and gradual improvement in presentation and design skills throughout the duration of the camp.

A Calligraphy Competition was conducted on the final day of the camp to provide students with an opportunity to showcase the skills they had acquired during the training sessions. The competition highlighted the creativity and effort of the participants and the top three performers from each of the five classes were recognised and awarded for their outstanding work.

Overall, the Calligraphy class provided students with meaningful exposure to creative design and decorative lettering, while encouraging discipline, focus and artistic appreciation.

The schools under the Trust provide ample opportunities for students to nurture their artistic, athletic and leadership potential. From NCC, Scouts & Guides, Interact Club, R.S.P. Club and J.R.C. Club to cultural festivals and inter-school competitions, students are encouraged to discover their talents and imbibe values of teamwork, discipline and social responsibility.

Professional Development and Innovation

The **SBIOA Higher Academy for Research and Professional ENhancement (SHARPEN)**, established by the Trust, focuses on teacher training, research and innovation. Continuous professional development ensures that educators remain updated with contemporary teaching methodologies, empowering them to shape competent, compassionate and confident citizens.

Community Outreach

Staying true to its founding ideals, the Trust extends its services beyond the classroom. Through social welfare drives, environmental campaigns and charitable initiatives, the institutions under the Trust play an active role in community building, echoing the motto — **'Educate and Illuminate'**.

Achievements and Recognitions

The Trust and its schools have received numerous accolades from educational bodies and government agencies for excellence in academics, sports and administration. Its alumni, who have made their mark in fields ranging from science and technology to arts and public service, stand as living testimonials to the Trust's enduring legacy.

Awards and Recognitions

The schools under the SBIOA Educational Trust have consistently upheld a tradition of excellence in academics, innovation and holistic education. Over the years, our institutions have been honoured with several state, national and international awards that recognize their commitment to quality education and their contribution to nation-building.

The SBOA School & Junior College, Chennai, has been conferred with the 'Best Innovative School of the Year' award at the *Indywood Educational Excellence Awards* and recognized as one of India's Most Trusted Educational Institutions. It has also received accolades for academic excellence and leadership, including the Asia Education Summit Award for Top CBSE School. The SBOA Matriculation & Higher Secondary School was adjudged *Excellent*, ranking *first among all the Matriculation Schools in Central Chennai* in The Times Education Icon Survey-2025.

Our other institutions — including the SBOA Schools in Madurai, Coimbatore, Trichy, Salem and Ernakulam — have also been lauded for their achievements. The SBOA CBSE School, Madurai, earned the British Council International Dimension in Schools Certification, while the SBOA Public Sr. Sec. SBOA Alumni – Our Pride, Our Legacy

The alumni of the SBOA Educational Trust form a vibrant and accomplished community that reflects the Trust's enduring legacy of *Excellence in Education and Character Building*.

Over the past four decades, thousands of students who once walked through the corridors of our twelve SBOA institutions have carried forward the values of discipline, diligence, and compassion into the wider world.

Today, SBOA alumni can be found in every corner of the globe — excelling as scientists, engineers, doctors, entrepreneurs, educators, artists, administrators, and social leaders. Many have pursued higher education at prestigious national and international universities, while others have chosen to dedicate themselves to public service, innovation, and community development.

Beyond individual success, what truly distinguishes our alumni is their spirit of giving back. They remain closely connected to their alma mater through mentorship, guest lectures, career guidance, and social outreach initiatives. This ongoing bond strengthens the Trust's mission to create responsible citizens and lifelong learners.

Looking Ahead

As the SBOA Educational Trust continues its illustrious journey, it remains steadfast in its mission to empower young minds, enrich society and enlighten the future. Guided by its founding vision and strengthened by decades of trust and achievement, it strives to create learning spaces that inspire innovation, integrity and inclusivity.

'Educate and Illuminate' — A guiding light that embodies the Trust's purpose:
*to spread the light of knowledge and transform every learner into a
beacon of hope and wisdom.*
