

August

2025

My dear Staff, Students, Parents & Well-wishers,

Started in the year 1965, the State Bank of India Officers' Association [CC] celebrated its **DIAMOND JUBILEE** in August 2025. To commemorate this Special Day, various activities were conducted throughout the month. The ecstasy is shared with the staff & the students of the 12 Schools by presenting pencils and pens etched with '**S.B.I.O.A. [CC] FOUNDATION DAY – Diamond Jubilee 14.08.25**'. My heartfelt thanks to all those who made this happen!

Academic success is not merely a reflection of intelligence; it is the outcome of dedication, perseverance and an unwavering belief in one's potential. Every achievement—big or small—is a milestone that speaks of hard work, discipline and a thirst for knowledge. True education goes beyond textbooks; it shapes character, builds resilience and ignites curiosity.

Let every accomplishment remind you that greatness is achieved step by step, through consistent effort and a positive mind-set. Each challenge faced is a stepping stone to growth and every failure is a lesson that brings us closer to excellence. When we celebrate achievements, we celebrate determination, courage and the relentless spirit to rise higher.

Exams are not just tests of memory; they are opportunities to showcase your learning and growth. Each paper you write is a reflection of your hard work and a moment to prove to yourself that you are capable of more than you imagine. Remember, preparation is your greatest ally.

Organize your time, focus on understanding rather than memorizing and trust the effort you've put in. Approach every subject with confidence and curiosity. Exams are not meant to intimidate you; they are designed to help you grow, strengthen your abilities and prepare you for life's bigger challenges.

Do not fear mistakes—see them as lessons. Stay calm and believe in your abilities. Your dedication and discipline will carry you forward. Excellence is not about perfection, but about doing your best with courage and determination.

With best wishes for success in all endeavours!

Secretary & Correspondent

MEET THE DOCTOR

A seminar on Health and Hygiene was conducted for Parents the kindergarten to educate them on the importance of maintaining good health and hygiene practices by Dr. P. Sudhakar who is a well-known developmental paediatrician and applied behaviour analyst. The points discussed were –

The importance of washing hands regularly, especially before meals and after using the restroom.

The parents were reminded on basic personal hygiene habits, such as brushing teeth, bathing regularly and wearing clean clothes.

The seminar emphasized the importance of eating nutritious food and avoiding unhealthy snacks.

Interactive demonstrations were used to make the parents understand the importance of vaccination, how important is sleeping pattern for children and on common myths and facts on foods that to be taken while not well.

Finally, feedback and question answer sessions were organized and it went on well with the active participation of the parents.

Overall, the seminar was very informative and engaging and it helped the teachers as well as parents to help their children develop good health and hygiene habits from a young age.

Reported by: Mrs. Aishwarya Mohan, Kindergarten Teacher, S.B.I.D.A. Model School, Chennai

SCHOOL SCOOP

Students connect with hist, science and art at museum

SBOA School And Junior College organised an educational field trip to the Government Museum, Egmore for students of class IV. The objective was to provide experiential learning beyond the classroom. The children were excited to explore the children's museum, natural history section, and art galleries. They observed dinosaur models, animal skeletons, ancient coins, and traditional artefacts with great curiosity. The trip was both enjoyable and informative. It helped students connect with history, science, and art in an engaging way. The school thanks the management for their support in making this trip a success.

NCC AIR WING

The First-Year Selection Trials for the National Cadet Corps (NCC – Air Wing), 3 (TN) AIR SQN (TECH) NCC, were conducted at SBIOA School CBSE Campus. A total of 49 students participated in the trials. After the selection process, 25 students were chosen as Cadets, comprising 15 boys and 10 girls.

The 79th Independence Day was celebrated in a grand manner at SBIOA Senior Secondary School. The School Band and the Student Councils welcomed the Chief Guest, Mrs. Pauline Preetha Jeba Selvi, Assistant Professor at Bishop Heber College, with a march. The Chief Guest hoisted the national flag, marking the formal beginning of the celebrations. The programme featured vibrant performances, including a colourful state parade by the kindergarteners and a joyful dance by the girls of Class VIII, celebrating the spirit of freedom. Western dance by the primary students kindled the spirit of patriotism. The Principal Mrs. Jeyarupa addressed the gathering, extending wishes to parents and commending both parents and students for their enthusiasm. A lively debate between the teachers and the Chief Guest added an engaging touch.

FIELD TRIP - LKG TO V to IBRAHIM FARMS on 22.08.2025 & 25.08.2025

The School student V.G. Harsha Vardhan, won a Gold medal at the South Zone CBSE Taekwondo Championship held at Kamala High School, Machilipatnam, Andhra Pradesh, from August 21-24, 2025, and has been selected for the National level competition.

The Lemuria Football Academy organized a 5-A-side Football Tournament in the Under-14 Category on 25.08.2025. With consistent performance and determination, the School team emerged victorious, winning the match and bringing laurels to the institution.

The School's information broadcasting system has been revived and renamed as 'Thulir Panbalai -90.7'. An audition was conducted on 13.08.2025 to select students to be as RJs. Around 130 students from Std 1 to 9 participated in the audition. 70 students were selected out of it. To add in professionalism,

students from Std 4 to 9 (30 students) underwent training from an eminent announcer of All India Radio, Trichy, Mrs. Chitra Valentina Thiruvalluvan on 22.08.25. She guided the children on the aspects of effective communication. The skills that they have to develop to be influential RJs. She insisted on reading books on various topics, being aware of every situation around them and never ignoring anything as less important. She taught them voice modulation, helped students to decide upon the speed and tone to present a topic. She asked students to consistently practice speaking in front of the mirror to gain confidence. These children will now take the responsibility of training their juniors – Std 1 to 3 and will be grouped and placed under the guides (teachers). They will regularly address students through Thulir FM and share information on various topics.

S.B.I.O.A. PUBLIC SCHOOL, SALEM

Blue Colour Day

India's states and cities are often associated with specific colours, reflecting their unique identities and rich traditions. The people of India have always connected their lives with vibrant colours, each holding deep cultural significance. The KG kids showcased the diverse traditions of different states through a ramp walk titled 'India - A Land of Colours'.

"Freedom is not merely the absence of chains, but the presence of Justice." Inspired by this profound statement, the School celebrated the 79th Independence Day on August 15, 2025, with great reverence, euphoria and patriotic fervour. This year, the celebration embraced the theme 'Freedom is Living in Harmony', emphasizing that true liberty flourishes in unity, peace and mutual respect among all citizens.

The event was graced by the presence of Tmt. S. Umaa Nandhini, P.A. to Collector (Development), Salem. The patriotic celebration commenced with the hoisting of the National Flag by the Chief Guest, followed by the prize distribution ceremony, where she honoured the winners of the Independence Day competitions and congratulated them on their outstanding achievements. Mrs. Sumi Jose P, Principal, extended a warm welcome and introduced the Chief Guest, highlighting her unwavering commitment to public welfare. Tmt. S. Umaa Nandhini expressed her heartfelt gratitude to all the participants for their enthusiastic involvement. The highlight of the celebration was a vibrant array of cultural performances by the students. They showcased their patriotism through dances, skits, dramas and stirring speeches—all beautifully centered on the theme 'Freedom is living in Harmony'.

"Freedom is not just about independence; it is about self-discovery and self-realisation."- Dr. A.P.J. Abdul Kalam

A planetarium for kids is a specialized theatre with a large, dome-shaped ceiling that serves as a screen. A Mobile Planetarium was arranged inside the School premises, on 26.08.2025, to develop and understand about the solar system and universe, Understanding complex astronomy concepts and Experience the sky from different perspectives on Earth. It allows children to experience what the sky looks like from different places on Earth, learn about the solar system and the

universe and understand complex astronomical concepts through immersive, visual shows. The students from classes LKG to X thoroughly enjoyed the show, gaining a fascinating insight into the wonders of space.

'Plant a Tree, Spread the Greenery' – this theme promotes environmental awareness and responsibility among students. Little crusaders planted trees and the program was graced by the Principal, Mrs. Sumi Jose P., the AHM, Mrs. S. Swathika, Biology teachers and enthusiastic students. This activity not only raised awareness about the urgent need to protect the environment but also instilled a sense of responsibility in the young learners.

"A single tree planted today can bring a lifetime of greenery tomorrow."

"For in the true nature of things, if we rightly consider, every green tree is far more glorious than if it were made of gold and silver." — Martin Luther King Jr.

National Sports Day (NSD) is celebrated every year on 29th August to commemorate the birth anniversary of Major Dhyani Chand, with the aim of promoting sports and physical fitness in India. The day was celebrated by the School on 31.08.2025 and students from Classes I to IX actively participated in various sports events. Ruhan Kumar R. of Class VIII-A delivered a speech highlighting the importance of sports and physical fitness in our daily lives. The following activities were conducted for the students – KG – Colouring; Classes I & II – Balance Walk; Classes III & IV – Tapping the Ball; Class V – Hurdles Race; Classes VI to IX – Volleyball.

The camp aimed at early detection of vision problems and creating awareness on the importance of eye care among students.

On 22nd August, 2025, a Memorandum of Understanding (MOU) was signed with Amrita Vishwa Vidyapeetham (Amrita University), a collaboration envisioned to open new horizons of academic enrichment for both students and teachers.

An Excursion to Vagamon was organized for the students of Grades 10 to 12. The trip provided a refreshing break from routine academics and opportunity to experience nature.

Teachers' Day Competitions were conducted by the Staff Association.

Throw ball, Volley ball and Basket Ball Free throw competitions were conducted for the teachers.

On 26th August, 2025, a special activity was organized in the School by the Principal. The students prepared and presented the Gratitude Cards to the Green Warriors (Sanitary Workers) of the society. This event created awareness about cleanliness and helped students to express respect and appreciation for their valuable service.

Celebrating nation's spirit on I-Day!

SBIOA Public Senior Secondary School marked the 75th Independence Day with grandeur, pride, and a deep patriotic spirit.

The celebration was graced by Col. Joy Dangara, DM (Retd.), of the Indian Army, as chief guest. A decorated war hero, Col. Dangara played a pivotal role in the 1999 Kargil War, particularly in high-altitude combat operations, and was awarded the Sena Medal (Gallantry) for his exceptional bravery. He also served with distinction in the UN Peacekeeping Force in Sierra Leone.

The chief guest unfurled the national flag, formally commencing the celebrations.

A vibrant line-up of cultural programmes reflected both student talent and patriotic fervor. Skits, dances, and songs celebrated India's rich heritage and the sacrifices of freedom fighters. The school was a sight to behold.

Collaboration opens doors to research and innovation

In a significant step towards enhancing educational excellence and future-readiness, SBIOA Public Senior Secondary School, Coimbatore, signed a Memorandum of Understanding (MoU) with Amrita Vishwa Vidyapeetham (AVV), a deemed-to-be university.

The collaboration aims to create meaningful opportunities for students and teachers by bridging school education with higher academics and research. It paves the way for initiatives such as student internships, resource exchange, teacher capacity building, and joint research opportunities, opening new avenues for advanced learning and exposure to cutting-edge research.

WORLD NATURE CONSERVATION DAY OBSERVED

INTERNET AWARENESS PROGRAMME

KARGIL VIJAY DIWAS CELEBRATED

Innovation wins district science honour

K Yuhamithran of class VII A from SBIOA secured the third prize in Category A - Innovation in Technology at IGNITA'25, the Coimbatore Sahodaya Schools District Level Science Competition held at KPR College of Arts and Science.

Coimbatore: SBIOA Public Senior Secondary School hosted an Internet Awareness Programme for Grades 4 to 7, promoting safe digital practices. Students presented on responsible browsing, online privacy, and the importance of the web. Engaging activities, including quizzes and word searches, blended fun with learning, fostering responsible online behaviour.

Coimbatore: Young explorers discover the world of innovation

The Kindergarten department of SBIOA Public Senior Secondary School, Coimbatore, organised an enriching educational visit to the G.D. Naidu Museum, offering young learners a fun-filled introduction to the world of innovation and invention.

Led by the assistant headmistress of Kindergarten, Sandhya Rai, the trip was thoughtfully designed to spark curiosity, build awareness, and provide real-world exposure beyond the classroom.

The visit aimed to introduce children to the fascinating world of science and technology in a way that was simple, engaging, and age-appropriate. The G.D. Naidu Museum, renowned for its rich display of historical inventions, scientific instruments, automobiles, and engineering marvels, served as an inspiring learning space for the curious young minds. Children were captivated by the interactive displays and unique machines. For exhibits that were complex, teachers skillfully simplified the concepts and related them to everyday experiences, helping the children connect and understand better.

The experience nurtured observation skills, enriched vocabulary, and inspired a sense of wonder. Emphasizing experiential learning, the visit encouraged students to explore, question, and discuss, promoting a deeper appreciation for science and innovation from an early age.

also available. This innovation ensures consistent quality, reduces losses, and lessens labour effort, offering a practical solution for farmers.

The correspondent, M. Murgesan, and principal, K.K. Ganesh, lauded the guidance of teachers Kirthika, Gardia, and Prabavathy, under whose mentorship this achievement was made possible.

S.B.O.A. MATRIC. & HR. SEC. SCHOOL, CHENNAI
