

2025

My dear Staff, Students, Parents & Well-wishers,

This is a month of reflection, renewal and responsibility. It reminds us that every season brings its own opportunities to learn and grow. As students, this is the time to channel your energy towards consistent effort, mindful discipline and purposeful learning. Let the new beginning teach you the value of patience—like the farmer who waits for the harvest after months of care, your dedication today will yield the fruits of success tomorrow.

Examinations are often seen as the ultimate test of a student's ability, but in truth, they are only a part of the larger journey of learning. They help measure what you know, but they cannot capture the full depth of your creativity, curiosity or character. At their best, exams teach us discipline, time management and the value of preparation. They push us to set goals, work steadily and strive for excellence.

📖 **Acknowledge Your Effort** – Results are just one reflection of performance on a particular day. What truly matters is the effort, preparation and discipline you put in. Be proud of the journey, not just the outcome.

📖 **Embrace Both Success and Setbacks** – If your results are good, celebrate with humility. If they are not as expected, accept them with courage. Remember, a single exam never defines your entire future—it is just a step in your learning process.

📖 **Learn and Reflect** – Ask yourself: *What worked? What can I improve?* Use results as feedback, not as a final judgment. Every mistake is an opportunity to grow.

📖 **Avoid Comparisons** – Your path is unique. Comparing yourself with others only takes away your focus. Instead, compete with your *past self* and aim to do better than yesterday.

📖 **Stay Positive and Move Forward** – Life offers many chances. Exams are milestones, not destinations. What matters is resilience, persistence and the ability to rise stronger each time.

The coming month symbolizes the triumph of light over darkness, as we celebrate festivals that inspire hope, unity and inner strength. Let this spirit guide you to overcome challenges with positivity and courage. Remember, true learning is not only about lessons in textbooks but also about the values you carry and the kindness you share.

'The Festival of Lights'

is not just about lighting lamps around us, but about kindling hope, wisdom and compassion within us—so that our inner light shines brighter than any darkness!

With hope in our hearts and light in our minds, let us move forward together!

Phonics

The phonics training was conducted for all the SBOA school KG and Std 1 & 2 teachers. The session was started with a recap of the last session followed by focusing on the children reading and writing practise. She explained the way the children have to read each letter and words. The concept of the session was to make the children understand the sounds of the letters and the syllables of each word. The explanation was with many examples of words. Each alphabet was explained with 10 steps with the combination of 25 sounds. The session continued with the formation of different letters how the children write with mirror image and long & short letters. Few letters were given with examples like 'b' & 'd', 'p' & 'q', 'm' & 'w', 'h' & 'n', 'e' & 'i', etc. The formation of each letter was explained clearly in the way how children understand.

The explanation of the four lines of their notebook has been explained as **1) SKY, 2) FENCE / CLOUD, 3) GROUND** and **4) ROOT**. The way to teach the formation of letters which improves the handwriting and the legibility of writing. By teaching so we could avoid confusion of the reversible letters and size of the letters.

SKY-----
FENCE/CLOUD--
GROUND-----
ROOT-----

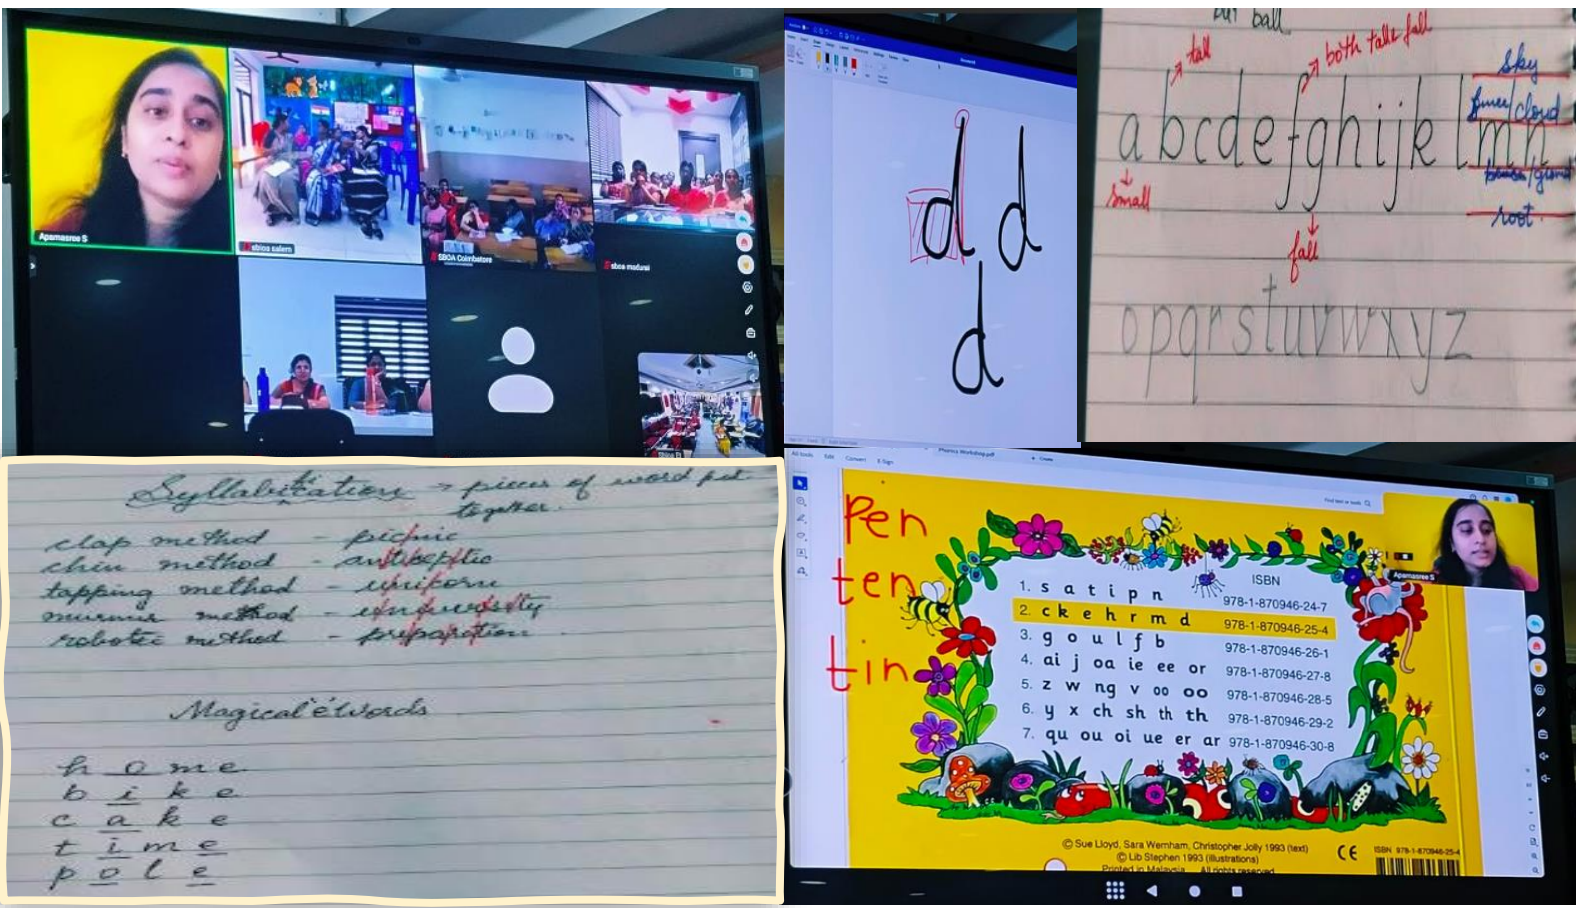

This was followed by recap on **Digraph**. Digraph was nothing but two letter words which has single sound like 'ai', 'oa', 'ei', 'ee', 'or', 'ur', 'ea', 'ng' and 'oo' / '00'.

Consonant digraph and consonant + vowels were explained with the action which was differentiated with Voiced and Unvoiced sound of the letters. Each and every letters was explained with the picturisation and action and with a story.

At the end of each alphabet explanation, the sound of each letter was recapped with a set or a group of alphabets with an example.

Finally, the Syllabification of few words and Magical 'E' was explained with various methods like CLAP METHOD, CHIN METHOD, TAPPING METHOD, MURMUR METHOD & ROBOTIC METHOD. Thus, the session came to an end.

S.B.I.O.A. Educational Trust hosted an inspiring awareness program on 19th September, 2025, for the students of Standards 10 to 12 aspiring to join the Civil Services. The event featured Mr. Israel Jebasingh, IAS, Director of Officer's IAS Academy, who delivered a motivational address. Drawing on his extensive personal journey as both an IAS and IRS Officer, Mr. Jebasingh shared valuable insights and practical guidance with the future aspirants.

The newly renovated English Language Lab was officially inaugurated on 10th September 2025. The Principal Mrs. Sharadha Ramamurthy, along with the English AS and Compartment Heads for Standards 6-8, unveiled the lab. This dedicated facility will serve students in Standards 6-8, providing them with a modern space to actively develop their English communicative skills and master key language competencies.

Importance of Layout and Paper

Classroom Spelling Activities: Visual learners

- Layout and spacing stop the page from becoming 'busy'
- Tinted paper – less glare from black letters on white paper
- Thicker paper – stops show-through

Look at the shape of words and individual letters:

Children have written on paper

Pyramid words:

Bananagrams:

a word-building game

A specialized professional development webinar, titled 'Boosting Primary Spelling: A Guide to Supporting Struggling Spellers', was successfully conducted for all Primary teachers on 17th September, 2025. The session was initiated by Maree Airlie in collaboration with Barrington Stoke, providing valuable strategies to enhance spelling instruction.

Classroom Spelling Activities: Breaking words up

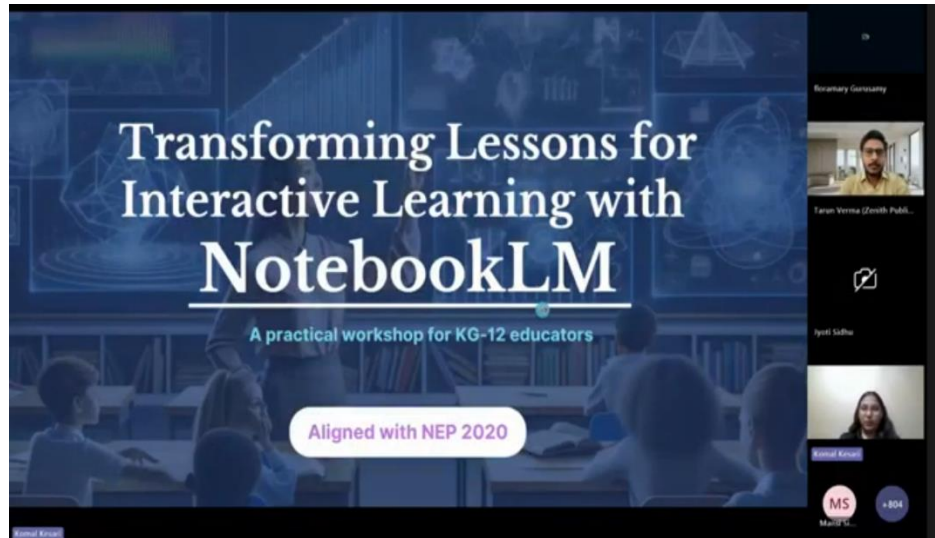

Help the child to understand words are made up of syllables and each syllable has a vowel sound. Find a fun way to show syllables!

Explore with the child how to make words from a root word using prefixes and suffixes.

Using the dictionary, ask pupils to find words with a particular suffix – create a Word Cloud using words that have that suffix.

A practical workshop on 'Transforming Lessons for Interactive Learning with NOTEBOOKLM' was delivered by Ms. Komal Kesari on 20th September, 2025. The webinar served as an essential training session for KG to 12 Educators, focusing on utilizing the innovative NOTEBOOKLM technology to restructure and enhance their lessons for dynamic, interactive student engagement.

On 20th September, 2025, the team of KG teachers—Mrs. Priya A., Mrs. T. V. Dhanasekari and Mrs. L. Chitra—secured the First Prize in the 'Teaching Beyond Talk & Chalk' Story/Rhymes competition at Maharishi Vidya Mandir Senior Secondary School, Chetpet, Chennai. Their winning entry, the story 'Monkey Face', was noted for its excellent and engaging presentation, utilizing colourful props and puppets that reflected innovative teaching methods.

On 24th September, 2025, Science teachers participated in a valuable hands-on workshop organized by the Geneo Innovation Lab. The session, led by Geneo Lab Resource Persons Mr. Aravind and Mr. Ashok, aimed to equip educators with practical experience using the Cretile Kit for effective project-based learning. The workshop also shared expertise on seamlessly integrating new technologies into the curriculum.

The School secured the Overall Winner's Trophy at Ignitra'25, the inter-school cultural competition conducted by Pon Vidhyashram, Valasaravakam. This significant achievement showcased the excellence of the School cultural team.

Shraddha S. (7-I) achieved a significant honour by winning the Second Place in the TATA EDGE - TATA Building India School Essay Competition 2025-26.

September was a month packed with fun and learning for the youngest students in Pre-KG and KG!

- Kidofest Celebration
- Onam Celebration
- Teachers' Day Celebration
- Special Assembly Activity

Thigazhini R. (5-I) participated in Acchani Chess Academy – State Level Chess Tournament held at Gnana Vidyalaya Hr. Sec. School and won the 2nd Prize on 7th September, 2025.

On 9th September 2025, the students of the four S.B.O.A. Schools in Chennai were treated to a captivating theatrical experience that stood apart in its creativity and charm. The event, organized by Karadi Path in collaboration with the S.B.I.O.A. Educational Trust, brought a vibrant celebration of language and performance to life. The 'Karadi Carnival', held at the Sitaram Hall of S.B.O.A. School and Junior College, Chennai, enthralled the audience with its unique blend of music, movement, and storytelling. Students from Classes IV and V enthusiastically participated in the show, singing and dancing along with the talented theatre artists Mr. Samson Eason and Ms. Sneha Sriram, who performed an engaging and humorous act titled '*Monkeys on a Fast*'.

The interactive performance kept the young audience deeply involved, as students eagerly responded to questions and shared their thoughts with confidence and excitement.

The event was graced by the presence of the Administrators Mr. V.V. Anand and Mr. D. Ravikumar, Mr. C.P. Viswanath, *Co-founder and CEO of Karadi Path Education Company*, and Ms. Preetika Venkatakrishnan, *Chief Operating Officer and Head of Innovation, Karadi Path*, who collectively enriched the occasion with their commitment to language learning through creative expression.

Education empowers minds to question, create and transform the world into what it ought to be.
